

# THE SPIRITS' BOOK

-1857-

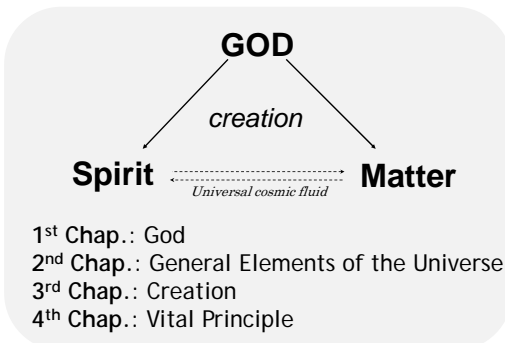

## First Part: First Causes

"God is the Supreme Intelligence, the First Cause of all things."

God created two universal elements: spirit and matter.

"Spirit is the intelligent principle of the universe."

"Matter is the instrument that spirit uses and upon which the spirit acts."

Creation is the result of the spirit action upon matter, according to divine law.

- The Spirits' Book, Allan Kardec, QsA 1,22,23, 63

## Second Part: The Spirit World

Spirits live either in the material or the spiritual worlds. They pass from the spiritual plane to the material one through birth. Their passage from the material plane to the spiritual one happens through death. There is constant interaction between spirits in the material and spiritual worlds.
